

Tools Required:

- A. 2 clips
- B. Soft mallet (not included)

▲WARNING

▲CAUTION: To avoid potential shock or other injury, turn power switch OFF and disconnect charger before removing or installing the limiter clip. Failure to follow these steps in the correct order may cause irreparable damage.

Step 1

Carefully turn unit over and align the clip with the limiter pad.

Figure 1

Step 2

Tap the clip onto the limiter pad. **Note:** The clip is symmetrical and can be installed with either side up or down.

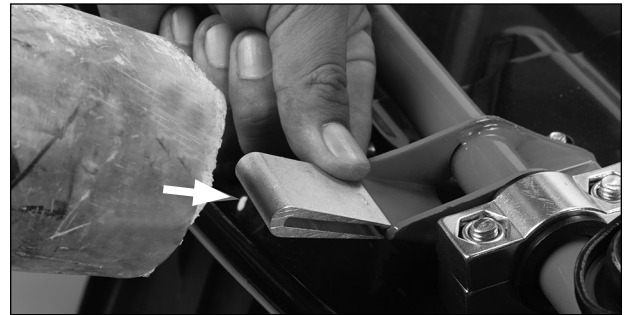

Figure 2

Step 3

Make sure the clip is completely seated.

Figure 3

Step 4

Repeat steps 1-3 on other side.
